# Tigers National Geographic 2016 Wall Calendar

## Synopsis

Known as a powerful hunter with sharp teeth, strong jaws, and an agile body, the tiger is one of the most revered animals in the world. It is the largest of the big cats and its captivating beauty has added to its importance in myth and folklore. National Geographic Tigers 2016 offers a series of stunning images taken by acclaimed wildlife photographers. Each image is accompanied by fascinating National Geographic information and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research and education programs. The calendar includes a 3-year at-a-glance page and is earth friendly, printed with soya-based inks on FSC certified paper. A perfect gift for any nature lover.

## Customer Reviews

When open this approximate 24" x 13" calendar contains pictures of Siberian and Sumatran tigers. Each month with a Sunday thru Saturday layout contains one picture along with some information about the tigers along with where the picture was taken and the photographer. The calendar appears to contain the major holidays celebrated in the US as well as other countries. The pictures are absolutely stunning.

I've bought the Tiger National Geographic calendar every year for more years than I can remember. The photos are always beautiful with no duplications from year to year. It looks gorgeous hanging on my kitchen wall, and the dates are large enough to be easily seen. Wouldn't be without this calendar!

I bought this calendar as a gift to my daughter. She was very excited to receive it. This calendar has very vivid photos of beautiful tigers. She couldn't be more pleased!

Just beautiful!

I like Tigers.
