Have to love a sports devotional for girls! I got it for my thirteen year niece. Helpful practical and inspiring! Good size font, so it is easy, fun to read, and so not too intense. Allows space for reflection.

This book was bought as a gift for my niece. She has enjoyed reading it and has shared it with a few girls on her basketball team.

My 12 year old read this front to back over a couple of month's time. She enjoyed it and we found the topics well thought out, well written, and appropriate for young girls.

My daughter has played soccer since she was five. She is now 14. She absolutely loves the content of this book!! Thank you
