Video Games And Violence (Thinking Critically)

Synopsis

For as long as there has been violence in video games, there has been controversy over how that violence affects society. Through a narrative-driven pro/con format supported by relevant facts, quotes, anecdotes, and full-color illustrations this title examines issues related to video games and violence. Topics include: Does Video Game Violence Cause Violent Behavior? How Does Video Game Violence Affect Youth? Are Violent Video Games a Cause of Mass Shootings? and How Should Video Game Violence Be Regulated?
