Official TOEFL iBT® Tests Volume 2

Synopsis

Five more authentic TOEFL iBT® tests in print and on DVD-ROM -- from ETS, the makers of the test! This book contains five actual retired TOEFL® test forms with authentic reading, listening, speaking, and writing questions. Each form includes an Answer Key, sample responses for Speaking and Writing questions, and complete audio scripts. The TOEFL® test is the most respected English-language proficiency exam accepted by colleges, universities, and agencies around the world. The accompanying DVD-ROM provides interactive, computer-delivered versions of all five tests, plus separate audio tracks for all listening sections for readers who are working with the print version. Includes: Over 300 real TOEFL® questions from the test makers Real TOEFL® essay-writing prompts Sample responses for Speaking and Writing questions Computerized, interactive tests on DVD-ROM For even more practice, look out for McGraw-Hill Education's Official TOEFL iBT Tests, Volume 1, which contains five additional real past TOEFL tests.

About the Authors At Educational Testing Service (ETS; Princeton, NJ) we advance quality and equity in education for people worldwide by creating assessments based on rigorous research. ETS serves individuals, educational institutions, and government agencies by providing customized solutions for teacher certification, English language learning, and elementary, secondary, and postsecondary education, and by conducting education research, analysis, and policy studies. Founded as a non-profit in 1947, ETS develops, administers, and scores more than 50 million tests annually -- including the TOEFL® and TOEIC® tests, the GRE® tests, and the Praxis® assessments -- in more than 180 countries, at over 9,000 locations worldwide.

I was surprised to find this study guide by ETS to be sub par since I have used all their others for Praxis, SAT, and AP and found them fine. There are two problems with this. You cannot check your scores bit by bit on the listening or speaking parts. You have to complete the entire section before seeing their answers, And, in Practice Test 1, the last questions in the listening comprehension, 32-34, do not appear, so you literally cannot complete the test and see how you did on all the other questions. ETS really needs to make their DVD program much more user friendly and get the bugs out.

I've been a TOEFL Tutor for nearly 9 years and have 8 books published that are available on .com. This ETS book is vital to teaching and to any student who wants genuine TOEFL iBT practice. For more help, look up "The TOEFL Master's Guide".

Hey! I used the first volume for first test and it worked well, so I got this one just to take more practice tests! Worked well with my lap top cd-rom, and reading & listening test gradings are automatic. Just to note that actual testings are little longer, but these were very similar to actual tests other than that! Great preps for someone who's waiting for immediate TOEFL testing.

It had good material and new tests for TOEFL prep students.

Quite helpful. Gives a real feel for the test, but doesn't provide Toefl equivalency scores (from 1 to 25) for each of the 4 tested areas. Only percentage scores are provided.

A necessity if you want more practice with the iBT TOEFL exams by the makers of the test. The CDs provide great practice for what the actual test will be like.

It is complete and easy to read. I have not finished reviewing but so far it has been a great help in my preparation for the exam.

Great book to practice for the TOEFL, however if you'd like to get your answers explained, this doesn't include so.
