The Invisible World

Synopsis

Suzanne Weyn brings her trademark mix of history, romance, and the supernatural to the Salem Witch Trials. Elsabeth James has powers she doesn't fully understand. She is descended from midwives, mind readers, and a fortune-teller who was put to death because she foresaw the death of Mary, Queen of Scots. She can hear people's thoughts and sometimes see what they see. She has supernatural gifts, but not evil ones. When Elsabeth sails with her sister, father, and governess to America, however, she does not foresee that their ship will be wrecked in a storm. Alone for the first time in her life, she washes up on a South Carolina plantation, where she falls in love with a boy she meets there and learns magic and healing from an unexpected source. As her powers grow, her stay is cut short, and she is sent as a servant to Salem, Massachusetts. There she accidentally allows an evil spirit to enter the village. When a group of girls start to say they're bewitched and accuse villagers of witchcraft, Elsabeth must find some way to save herself and the boy she loves.

Customer Reviews

I finished this book in no time. The author did a great job of taking the subject matter (the Salem Witch Trials) and weaving in fantasy with fact. I was impressed by the imagery and research, this book reads like a movie. The intelligence and weaving of the plot left me wondering how the author was going to pull it all together at the end, but Susan Weyn did, with an ending that left this reader very satisfied and entertained. Without giving too much away there is also a unique quest for love and vivid, well written action. Highly recommended.

Words cannot describe how much I love this book!!!!!!you just have to read it for yourself.I highly recommend that you read this book!!!!

I love this book! Everything is beautifully written. I just wish that there could've been more to it so that the book would've been longer. Otherwise, a good book.

I don't usually enjoy historical fiction but this was an epic tale of fantasy and magic! If you are looking for something to read, read this

I can only attest to the condition of the book which was better than I expected. The book was a gift for my granddaughter.

I liked this book because exciting yet it had some drama. Even my grandma liked and she only read the back.

I loved this bookIt was so goodI couldn't put it downThis is one of my favorite books

Very nice I love it. It's like a combination of religion and fiction. The best book that I have read.
