Sex For Guys (Groundwork Guides)

Synopsis

Sex for Guys is a book about love, desire, feelings, and sex for young men and other curious people. Nonjudgmental and informative, it tackles all of the important issues — masturbation, homosexuality, pornography, and STDs — without lecturing but with lots of good advice. From early chapters on the penis and vagina, Sex for Guys moves through the first kiss and first-time sex to gay sex and orgasm. Taking a strong stand for women's equality, author Manne Forssberg includes candid quotes from young men and women about their experiences with love and sex.

Book Information

Series: Groundwork Guides

Paperback: 144 pages
