Going To Glacier National Park

Synopsis

Designed for children ages 8 to 13, *Going to Glacier* is packed with fun and fascinating information about Glacier National Park. Authored by Alan Leftridge, seasonal ranger and naturalist, the colorfully illustrated book details the park's namesake glaciers, flora and fauna, dramatic weather, Indians and early settlers, historic sites and structures, and the effects of fire. The book also features maps and interpretive information for hikes that the kids will love. A must-have for families traveling to Glacier National Park!
