Customer Reviews

If you like the outdoors, the thought of "living off the grid", adventure, honest insights and life lessons....all rolled into one book = Wolfe’s Howl! I knew "Uncle George" from a distance - he’s my best friend’s uncle. I met him a few times as a child, but mainly knew him from the great stories he told my friend who in turn told me. The stories almost seemed mythical to us as kids. The book, which is from his journals, shows it was all true! A great read!
